All About Mandarin Academy

Mandarin Program 2016-2017

The **All About Mandarin** program uses a well-implemented Academic and Activity-based curriculum. For non-Chinese heritage students, we use "Step by Step Chinese Proficiency", which are professionally designed by our curriculum team to enhance students' proficiency of Mandarin (Chinese) as a foreign language. For Chinese heritage students, we use the materials based on the books that are currently being taught in elementary schools in China (中国小学语文教材). This program not only provides structural academic learning, but also engages students' interests in learning Chinese.
