# Mandarin (Chinese) Programs on Weekdays and Weekends

- Discover the Fun of Learning Mandarin

Children have the amazing ability to learn a second language at a young age, and this becomes even easier when they are having fun. All About Mandarin Academy provides academic and activity-based Mandarin Chinese classes for children. Our curriculum enables children to learn Mandarin Chinese and the Chinese culture in an interactive and engaging setting. Our students learn Mandarin easily. They sing Chinese songs to enlarge their vocabulary, play immersion games to practice speaking, and read short stories to improve Mandarin reading step by step. Our programs are currently offered at many public and private schools. Join us for school year 2015-2016 now!
